Local Law No. 1 of the year 2025

A local law entitled SHORT-TERM RENTAL LAW.

Be it enacted by the Town Board of the
(Name of Legislative Body)

~~County~~
~~City~~ of Canaan as follows:
~~Town~~
~~Village~~

SECTION 1. PURPOSE AND INTENT

The Town Board finds that it is in the interest of public health, safety, and welfare to regulate through a permitting process the use of short-term rental lodging facilities occurring within the Town of Canaan. While properties operated as short-term rentals provide certain benefits to property owners and residents in the Town of Canaan such as increased income and employment opportunities, they also create potential health, safety, and quality of life issues detrimental to the community. The ability to operate a Short-Term Rental (STR) in the Town of Canaan is a privilege, not a right. In an effort to balance multiple ideas - the ability for law abiding property owners to make a return on a home used as an STR rental, to help balance the playing field for affordable housing, and an opportunity for the Town and surrounding areas to enjoy the benefits of a residential community simultaneous to welcoming visitors and their contributions to the local economy, this local law imposes mandatory regulations and requirements on all Town of Canaan property owners that desire to rent on a short-term transient basis. The purpose of such regulations and requirements are to assure that the properties meet certain minimum safety and regulatory requirements which are proportional to those imposed on similar uses, thereby protecting the property owners, occupants of such short-term

rentals and the residents of the Town of Canaan.
